Catalogue of DAFFODILS

SEASON 1929.

We have pleasure in presenting our Daffodil Catalogue for 1929, which includes the best English and Australian varieties suitable for Exhibition or Garden purposes.

Bulbs can be supplied from January to the beginning of April. It is advisable to order early, as many of the newer varieties cannot be supplied later than February.

SPECIAL COLLECTIONS.—We would advise Customers who are not acquainted with the varieties to allow us to make up their requirements, either for exhibition or garden purposes, and satisfaction will be guaranteed.

All Bulbs sent out are guaranteed free from disease, having been treated in hot water the previous season and planted in virgin soil.
